

The Healing Power of Nature

artsdepot 15-20 July 2026 9am-5pm each day

This whole exhibition has been planned and organised by local artist Yvonne Saville, in support of and in conjunction with North London Hospice.

Nature lies at the heart of Yvonne's own paintings, and the nature theme of the exhibition is continued in the paintings kindly donated by other local artists and art lovers.

Other artists in the exhibition include:

Gillian Di Ambrosio

Nadia Catchpole.

Danuta Das Gupta

Pamela Helps

Sheila Hume

Krishanthi Kanagaraja

Tania Lixenberg

Diana Sandetsskaya

Jane Williams

Rubi Bhattacharyya

Valerie Cowan

Karen Gowlett

Peter Hume

Hilary Jones

Veronica Lansman

Richard Pfeiffer

Jenny Turtle

Suk Fan Yeung

In the paintings, nature is manifested in many different forms - in landscapes and seascapes, in skies and trees, in flowers and birds - and in different moods, light and dark, winter and spring, always changing, always alive.

North London Hospice is very grateful to all those who have donated paintings, and in particular for the generous support of members of the Milldon Art Society and the Finchley Art Society.
